Location of the World's Ancient Culture Hearths

A cultural hearth is best defined as a place where cultural traits develop. Using the maps above, propose what may have happened once a religion originated in an area.

Write your answer on the lines below.

Directions: Answer the following question(s).

Master ID: 2954974 Revision: 1

Rubric: 2 Point(s)

- 2 Answer accurately depicts what would happen after a religion originates in a specific area. Response shows examples and knowledge from the Unit.
- 1 Answer somewhat depicts what would happen after a religion originates in a specific area. Response shows at least one example and some knowledge from the Unit.
- 0 No response or evidence is given.

Standards:

SOC.6.6 - H1.4.1

SOC.6.6 - G1.2.6

Directions: Answer the following question(s).

- 18 Pakistani students held a rally against the Facebook page called “Everybody Draw Mohammed Day!”. A Pakistani court ordered the government to block the popular social networking site because the page encouraged users to submit images of Islam’s Prophet Mohammed. Because the Islamic religion prohibits the depiction of Mohammed, protests occurred in Pakistan and other Muslim countries.

Based on this scenario, explain how technology can positively or negatively affect a community. Use evidence from the text to support your answer.

Write your answer on the lines below.

Directions: Answer the following question(s).

Master ID: 1952473 Revision: 2

Rubric: 3 Point(s)

- 3 The response accurately explains how technology can positively or negatively affect a community and uses textual evidence for support.
- 2 The response shows understanding of how technology can positively or negatively affect a community but needs more development or additional textual evidence.
- 1 The response attempts to answer the question, but does not include support from the text.
- 0 The response is blank or unclear.

Standards:

SOC.6.6 - G2.2.2

SOC.6.6 - G4.2.1

- 19 How does a folktale or myth portray a culture's beliefs or values? What do proverbs tell you about a culture's beliefs?

Write your answer on the lines below.

Master ID: 2954916 Revision: 3

Rubric: 2 Point(s)

- 2 The response accurately describes how an image is valued through a folktale/myth that explains a culture's beliefs. The proverbs relay words of wisdom within a culture.
- 1 The response shows understanding of how an image is valued through a folktale/myth can positively or negatively affect a culture's beliefs, with mentioning of proverbs for support but needs some more development or additional text evidence for richer support.
- 0 No response or evidence is given. Response is unclear and/or off topic.
