Grade: 2
Task: Student Work Sample
Title: Sledding

The following student artifact has been retyped; please see a copy of the original student work at the end of this document. Comments about student work can be found in the box on the right.

It was a snowy day and my family was going sledding. I was so excited! We were going on the 2nd biggest hill in Michigan. It was very cold.

It was huge. I was so so so excited and scared.

I got on my sled. I went with Sofia. Mia gave us a push. A bunch of the snow went in my face. We went a few more times. Then it was the last time. It was a pain walking up the hill.

We got on the sled. We saw a ramp, I was excited. My sister tried to turn it then...

We went on the ramp. We flew off the sled. I felt like superman flying. We went so high. I was screaming, "wheeeeeeeeeee". My sister was screaming. Then we left. It was so fun. I said, "Everyone saw our amazing stunt!"

The writer "zoomed" in on a small moment (One time, one place).

The writer used a storyteller's voice.

The writer added many interesting details.

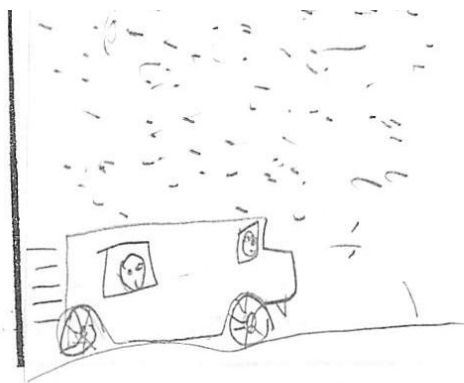

The writer revised piece to show, not tell important events.

The writer revised the most important part of the story.

The writer added character thoughts and feelings.

The writer told her story over multiple pages with a beginning, middle and end.

The writer ended the story within the moment.

It was snowy day
and my family

was going sledding

I was so excited ^{we were} it was very cold on the 2nd
biggest
hill
in
Michigan
