The Morning baffe

The morning baffe has great food. You don't have to worry about bad food. The food at the morning baffe is never bad. Also a baffe is something where you get up and get your own food. A waiter or waitress only gets up to get you your drinks. But you

get the rest of your food. They also have donuts for the kids. If the kids want they could get a donut but they don't have to.

But you should because
they taste delicious! that's why
the Morning baffe has great
food.

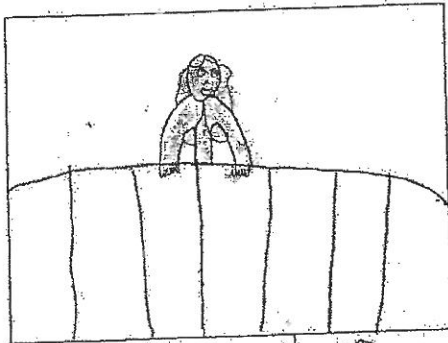

the bus to hershey Park

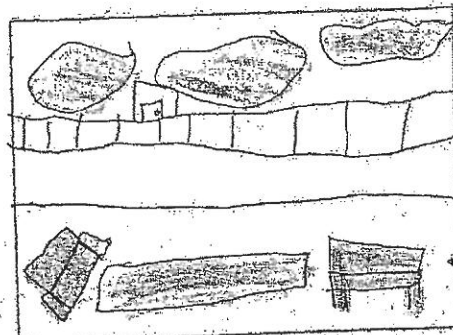

The bus to hershey Park is very fast. It comes about every fifteen minutes. All you have to do is stand outside for fifteen minutes and the bus will come. But if you were at another hotel they wouldn't have the bus. You would have to get off in the parking lot and it is gigantic! but if you take the bus it will get off at the entrance to hershey Park. Also hershey Park is a gigantic amusement park with a huge water park families will love! That is not that hard only getting on a bus and it takes only

fifteen minutes that's why

Mora Fun Facts

The Cafe

Fun fact

The cafe has a kids menu so kids won't have to order off the grown-ups menu. They also have good food ~~that is~~ ~~make you smile~~ "That's so cool right!"

Someone reading the kids menu and seeing what to have.

The cafe is a great place to eat lunch or dinner. It's great because there is a kids menu for kids 10 and under. Grown-ups have to choose from another menu and there's no exceptions even if the grown-ups want what the kids get to have. It is not always quiet at the cafe. At night it is packed. Right after you have lunch at the cafe you

Should make a reservation or
it will be packed and you
might not get in. So you should
always make a reservation that's
why the cafe is good for
kids and grown-ups.
